P.C.

1. By this petition review of
our order dated 7-4-2004 is
sought. It is also submitted
that the order is to be recalled
as there is obvious error peeping
in the order.

2. The order discloses that
there is no error in the order
passed by the Tribunal and
necessary reasoning is given that
during the pendency of the
application the petitioner was

promoted, and therefore there is no reason to interfere. That reason may be wrong. But that does not change our other reasons for not interfering with the order of Administrative Tribunal. Hence review petition is rejected.
